Sam , looks at Will and says, " this kid , she makes you what you are, Will " , you know that, don't you , stay away from personal , , it leaves a trail, rule number one , " nothing personal ". If you want anything done, you have, me do it, when your a long way off.

Will's thoughts returns to the present, and remembers, , what the blonde said about personal , she said it was personal , , , he calls, Sam , , asks if he has plans for her, , Sam swears no , , he tells him , our relationship is riding on nothing happening to the blonde, , , if it does, we're going to throw the rule book away, , Sam , swears again, no. He tells Sam, he's going in close by , to see what comes down. Sam tells , Will , you need to back off, the FBI , already have her in their sights , , Will asks, how do you know, , Sam, replies, it's my business to know, and you not suppose to even ask! This is getting personal to you , Will , you need to back off! "Will ", she's a threat to us all, they will hound her till she cracks, stay out of it, "Will "!

// FBI ( what took place ) FBI , headquarters , were combing everything trying to get a lead on the hit , of the Senator , located the shooters, position , clean, nothing, sketchy witnesses, they turned to the media's pictures taken and filming, they noticed a woman, in the front line of the crowd, everyone else runs, but she didn't, , it was puzzling , why, , was she stunned, couldn't move, or was she enjoying the show? She also removed her shades and looked square at the senator, this seemed puzzling, they finally figured out, she looked a lot like the senator's granddaughter.

// In the meantime, Will , checks into the closest hotel, to the FBI headquarters, he knows that is where they will bring the blonde granddaughter, for interrogation.

Will, is in deep thought, of what is coming down, he thanks to himself , he has no desire to die of old age, and he wasn't getting any younger. He has a bag of personal weapons , he has has collected just for the occasion, a pair of mac-10's, mounted in a sling from shoulders, a pair of small caliber auto 22's with six inch barrels, with nylon shoulder holsters, slings containing about thirty clips of ammo, hand grenades, and some high explosives.

Will, scopes out the FBI building, planning the attack , he can see the floor of secured rooms with bars close to the top , he knows that is the cells where they hold prisoners. He checks out the front entrance, and how close he can get a vehicle to the entrance, he figures he can get in close enough with a maintenance van.

Will , feels kinda guilty , going up against law enforcement, so he decides to call the supervisor in charge, he get someone on the phone, that says he is in charge. Will , asked if he wants to let the blonde go, or he's going to kill a most of your people , , the guy laughs, and says, your a Rambo, and your just going to kill us all , , huh , , who's your doctor? Will, answers back , I think his name is Jekyll , , and hangs up! Then decides , what the hell , they knew the risk, just like him!

Afterwards, in the FBI headquarters, they're having a big laugh, about the crackpot, that's going to kill all of them!

A couple of days later, Will is all setup, he picks up a telephone repair van, he loads up, the FBI headquarters are a tall gigantic building, with a large lobby entranceway, a side room of security with monitors and agents controlling locks.

Will pulls the van close to the entrance in no parking area, dressed in coveralls, with a long trench coat, covering the hardware, grabs a big bag and a clipboard, goes inside, approaches, the attendants in charge, staying close to the security section, one of them comes unglued chewing, him out, asking him, "what the hell are you doing, don't you know we have security here"? Will drops the bag, whips out, the two auto 22's, shoots down four men, with one, while holding the other on the security personnel, looks at the two guys, and says, what was he saying about security, I take it it's broken, he looks them straight in the eye, and says unlock everything, one of them starts to say something, Will shoots him straight through the head, then looks, at the other guy saying nothing, the guy, starts pushing buttons, Will says, are you sure everything is open, I'm taking you a long, if it's not, I will kill you, the guy assures him, it's all open, other FBI agents start pouring in, Will, swings out one of the mac-10's, downs all of them, looks at the security guy, and says, sorry, can't handle the baggage, shoots him, then shoots up the control panel, with the mac-10. Now more agents are rushing in, Will cut them down, then takes the elevator up, he stops on tenth floor, the doors open, he rolls a grenade out without pulling the pin, all the agents start ducking, he comes out blazing cuts them all down.

By this time hundreds of police are gathered outside around the van, barricading themselves from the front of the buildings. Will had already figured, twelve minutes, he hears a loud explosion, the high explosives in the van went, he then jumps back in the elevator, up another ten stories, stops rolls out the grenade again, downs eight or ten more agents, jumps back in the elevator, goes on up to prisoner holding floor, pulls the grenade act again, downs, six more agents, one he saves, Will asks, where is the blonde, the guy hesitates, Will forces him to open his mouth, he pushes the grenade in, and takes hold the pin, and says, "where, and show me", in the cell corridor, three more agents, Will cuts them down, the guy shows him the cell with the blonde, he pushes him aside and shoots him, grabs the door of the cell, it comes open, the blonde comes running, grabs Will, starts telling, Will, he should not have come, she would never give him, to them.

He holds her tight, and says, yes I had a couple of options, I could live with my memories, or I could fall, with you!
